*Margarita* (HALF GALLON)  
tequila, combier, limes, lemons, housemade citrus syrup

## THE HOMESTATE MARGARITA

Our margaritas were developed by our founder Briana and her husband Taylor, a sommelier based in LA. We make them fresh every day using artisanal tequila, orange liqueur from the Loire Valley in France, fresh-squeezed lime and lemon juice, and a housemade citrus syrup that takes two days and the zest hundreds of lemons and limes to prepare.
